

An aerial photograph of a town, heavily color-cast in a vibrant purple hue. The image shows a dense residential area with numerous houses and buildings, interspersed with trees. A central street runs vertically through the middle of the frame, with several cars parked along its sides. In the lower right, there is a larger, more modern-looking building complex. Overlaid on the left side of the image is the text 'HUDSON EYE' in a large, bold, white, sans-serif font. The 'H' is particularly large and stylized, with a small grid-like pattern on its top left corner. The overall composition is a high-angle, top-down view of the town.

The Hudson Eye Stimulates Creativity, Expands Diversity, & Grows Tourism With A Multi-Venue Series

Active in Hudson since 2006, Jonah Bokaer Arts Foundation presents *The Hudson Eye*, arranged by ascendant curatorial voice Aaron Levi Garvey. *The Hudson Eye* is an artist-driven 10-day annual public program and urban showcase, focusing on Dance, Music, Performance, Film, Visual Art, Dining Out, Nightlife, and Hot Topics Panels highlighting issues of interest to the local community. Taking place August 27th-September 6th 2021 as a celebratory close to Hudson's peak tourism weekend of the summer, we work deeply at all levels of the city to consider what it means to be part of the Hudson community fabric, and look inward at our own relationship to the region over the past 15 years. The Hudson Eye was born to be shared annually in partnership, and steers an anonymous \$50,000 Local Matching Grant to Hudson.
